Online course: Assessment

Eindhoven, The Netherlands, 19 April 2023

Cynthia Schreuder

Manager
Learning & Development
Human Resource Management

Online course: Assessment

This course has a total study load of 25 hours, with 10,5 hours of face-to-face instruction.

At the end of this module, you will be able to:

- Design quality assessment that has a positive impact on student learning.
- Write an assessment plan.
- Make and utilize an assessment matrix.
- Construct and review open and multiple-choice questions and assignments.
- Construct and apply answer models, rubrics and scoring instructions.
- Apply methods to avoid rater bias.
- Give effective feedback.
- Interpret test analyses and reflect on them to improve assessment.
- Describe digital assessment tools at the TU/e.
- Describe the rules, regulations and responsibilities - including fraud prevention - concerning assessment at the TU/e.
