Human Resource Management

Teaching Skills

This course has a total study load of 19,5 hours, with 10,5 hours of face-to-face instruction.

At the end of this module you will be able to:

- Form an opinion on what is good teaching.
- Prepare and execute an educational meeting by using a lesson plan.
- Consciously choose the right (online or offline) learning activities and/or tools, constructively aligned.
- Explain the differences between small group teaching and large group teaching and the implications for education.
- Identify the different components of the observation tool.
- Give constructive feedback on behavior by using an observation tool for peer-feedback.
- Describe what the differences and communalities are between supervising and coaching.
- Identify what your own preferred style of coaching and supervising is.
- Describe and apply coaching for learning.
- Self reflect on teaching skills and formulate actions for improvement.
